DB DRIVE is an American company and an industry leader in mobile electronics. We are committed to improving continuous research and development to help our customers solve their all the mobile electronics needs.

### **Trademark Infringement**

DB Research L.L.P. is the legal owner and proprietor of the DB DRIVE™ trademark in numerous jurisdictions throughout the world including, but not limited to, the Asia, the EK and the US. DB Research L.L.P. is entitled to take legal action against any unfair use of our intellectual property, rightfully and lawfully, and to prohibit others from using our trademarks in connection to the same or similar goods and/or services being offered in the jurisdictions covered by our trademarks.

Unlawful use of DB DRIVE trademarks risks exposing our consumers to products which are not covered by any type of manufacturer's warranty directly or even from purchasing counterfeit products. For these reasons, we take any unauthorized use of our trademarks seriously and any infringing listing may be reported to eBay.

### **Copyright Infringement**

DB Research L.L.P. (DBA DB DRIVE) owns copyrights in photographs and other images displayed on our official DB DRIVE websites or in authorized published marketing materials. DB DRIVE operates primarily from the official site located at [www.dbdrive.net](http://www.dbdrive.net), from which it is unlawful to use, without previous authorization, any copyrighted materials owned or published by DB DRIVE. Anyone using DB DRIVE copyrighted materials (including, but not limited to, photographs and other images found on the DB DRIVE website) without authorization may be breaching DB DRIVE's intellectual property rights, which may in turn lead to eBay listings being reported and taken down for copyright violations.

### **To eBay Buyers:**

The only way you can be certain that you are buying genuine and compliant products is to buy from DB DRIVE or from one of its authorized Brick and Mortar dealers.

To eBay Sellers DB DRIVE does not tolerate sales of counterfeit and non-compliant products. DB DRIVE may request eBay to remove listings for any one of the following reasons:

- Sale of counterfeit DB DRIVE products
- Use of DB DRIVE trademarks or copyrighted materials without authorization
