

# FabJob.com

FabJob.com is a leading publisher of career information. Founded in 1999, and named the #1 place to get published online by Writer's Digest, the world's most popular magazine for writers, FabJob.com Ltd. is visited by millions of people per year seeking information on how to break into a "fab" job. We publish e-books (electronic books), CD-ROMs, and print books. Our main product line is career guides about how to get started and succeed in a FabJob.

**Intellectual Property Rights** Our intellectual property includes copyrights owned by FabJob.com Ltd. in our career guides, our web pages, and other company materials as well as our trade names and trademarks. With the exception of a scan or a photograph of a FabJob guide cover, **it is illegal to use any of our copyrighted materials, including any graphic or written material from our website, to sell products on eBay.**

Our intellectual property reflects the reputation we have developed in the marketplace, and are valuable assets to our business. We have recently discovered that infringers have attempted to use copyrighted information from our web site and/or career guides on eBay. We have retained legal counsel to carefully monitor and diligently protect our rights in our intellectual property. We will take all appropriate actions, where necessary, to fully protect our rights.

To further protect the intellectual property rights owned by FabJob.com, we are a member of eBay Verified Rights Owner (VeRO) program. We monitor all eBay auctions, and where we find any unauthorized use or infringement of our intellectual property, the offending auction is terminated under eBay VeRO program.

If you notice an auction where someone appears to be selling a FabJob guide or is using written or graphic material from our web site to sell their own product, please notify us by using the contact form on our website at: <http://www.fabjob.com/contact.asp>
