

Hybrid Systems Ltd., Inc. (HSL)

Hybrid Systems Ltd., Inc. (HSL) is a software company that has been in business since 1986. In 2004, HSL entered into an exclusive license agreement with OGR Publishing Inc. (OGR) to develop the OGR Digital Archive (consisting of multiple volumes). The OGR Digital Archive is a product consisting of proprietary software and copyrighted digital images owned by HSL of OGR's copyrighted property ("O Scale Railroading" and "O Gauge Railroading").

OGR Publishing, Inc. and Hybrid Systems Ltd., Inc. Digital Archive License Agreement

The OGR Digital Archive software contains an end user license agreement. By receiving and using the software the end user agrees to the terms and conditions of the end user license agreement. Points 3 and 4 of the end user license agreement state:

3) ... *You may not sell (or offer for sale) the OGR Digital Archive.*

4) *This License Agreement conveys a limited right of use which is revocable under the terms of this License Agreement. In no way does the License Agreement convey to User an interest in, or to, the OGR Digital Archive.*

Hybrid Systems Ltd., Inc. and OGR Publishing Inc. will carefully monitor eBay auctions for listings in violation of this agreement. We will request those violating auctions be terminated.

The OGR Digital Archive represents a substantial investment in time and resources by HSL and OGR. It may be purchased for a very reasonable price at the OGR web-site:
