

It Works! Global Compliance

We are currently contacting all non-compliant eBay listings.. Failure to immediately remove all It Works! Intellectual Property will result in the listing being reported to ebay for removal.

Intellectual Property It Works! Global is the exclusive owner of the It Works! Global trademark and relevant logos. In addition, It Works! Global designs, images and product photographs are the exclusive property of It Works!. Any unauthorized copy of It Works! name or logo constitutes infringement. It Works! actively monitors the use of its Intellectual Property on eBay in order to protect the integrity of its trademark interests. It Works! would like to stress that it works hard to deal with intellectual property violations. It Works! requests the de-publication of auctions through eBay's VeRO program due to an unauthorized use of Intellectual Property.
