The Magnet Shop is a division of Badger Design Ltd and members of eBay's Verified Rights Owner (VeRO) Program. We are sellers and manufacturers of magnetic materials and products, with over 20 years' experience in the industry. This includes our popular planner whiteboards, which we design, print, laminate, gloss and cut all at our premises.

As such, all our whiteboard planners are registered designs with the UK Government's Intellectual Property Office and as such are protected under copyright laws. We regularly check eBay for any infringement on our copyright and any listings found to be in violation will be reported to eBay who will take immediate action.
