

Brands & Assets - Noico

Brands & Assets - Noico is a member of eBay's Verified Rights Owners (VeRO) Program

Noico operates in field of automotive sound deadening and thermal insulation. Noico strives to deliver the highest customer satisfaction combined with affordability and ease of installation.

Our priorities:

- Bring the comfort into everyday driving experience by reducing the noise level in a car, RV or even eliminating the sound of noisy HVAC/piping equipment.
- To prevent our customer from buying a counterfeit products

Trademark Infringement

Noico is the legal owner and proprietor of the Noico sound deadening products. Noico reserves a right to undertake legal action against any unauthorized use of our intellectual property.

Unauthorized use of Noico trademarks might put our customers at risk of using the product that wasn't thoroughly developed and tested in a relevant conditions which might result in customers dissatisfaction and damage our reputation. Seeing the above mentioned, we take any unlawful use of our trademarks very seriously thus any infringing listing may be reported to eBay authorities.

Copyright Infringement

Noico possess copyrights in its listings, pictures and product descriptions. Anyone who use Noico copyrighted materials (including, but not limited to, photographs and other images found on the Noico website and/or listings) without our authorisation may be violating Noico intellectual property rights resulting in eBay listings being reported to eBay authorities.
