

# Nordstrom, Inc.

Nordstrom, Inc. is a member of the eBay VeRO Program. Nordstrom works diligently to protect its reputation for providing the highest quality goods and services, and to protect its customers from merchandise that is inferior and confusingly similar to genuine Nordstrom products. Nordstrom must therefore vigorously defend against distribution of counterfeit merchandise. Nordstrom also has a responsibility to strictly monitor use of its trademarks, service marks, and copyrights.

Nordstrom is the owner of many trademarks, service marks and copyrighted materials worldwide in association with shoes, men's, women's and children's clothing, accessories, gifts, home products, and more. Nordstrom and its licensees have the exclusive right to use its marks and copyrighted works. Nordstrom's trademarks and service marks are protected under U.S. and international trademark laws. Photographic images and accompanying item descriptions appearing on Nordstrom's website and in its catalogs are protected by copyright laws. Anyone who uses Nordstrom's marks, without Nordstrom's permission, is liable for trademark infringement. Anyone who copies, distributes or displays Nordstrom's copyrighted material, without Nordstrom's permission, is liable for copyright infringement. The distribution and/or sale of counterfeit goods are illegal and carry criminal penalties. Nordstrom will notify eBay of listings containing unauthorized uses of Nordstrom's marks and copyrights, or of auction listings reasonably believed to offer counterfeit merchandise for sale.

Innocent intent does not negate liability under U.S. copyright or trademark laws. You have a responsibility to ensure that your actions do not violate someone else's intellectual property rights. Before commencing an eBay auction, you must take affirmative steps to ensure that your auction does not violate the rights of any trademark or copyright owner.
