The Pocket Radar company and brand are widely recognized for developing, engineering and deploying state-of-the-art measurement technologies, including award-winning radar products. For more details visit [www.PocketRadar.com](http://www.PocketRadar.com)

## **To Purchasers**

Pocket Radar Inc. is aware that numerous Pocket Radar brand items are sold on eBay. Private individuals may sell Pocket Radar brand equipment that was purchased for their own personal use. "Private individual" means an individual, end-user consumer. Pocket Radar Inc. sells Pocket Radar brand equipment and services only through its own stores, online at [PocketRadar.com](http://PocketRadar.com), and through authorized distributors. eBay is not a Pocket Radar-authorized distribution channel. As a result, products purchased from individuals on eBay may not be eligible for warranty or support. If you believe someone may be misrepresenting themselves as an authorized distributor, please contact Pocket Radar Inc. by email at [www.PocketRadar.com](http://www.PocketRadar.com). From the home page, click on the "Contact Us" link on the bottom part of the page, a page will appear that contains the Pocket Radar Inc. e-mail address and telephone numbers for customer support.

## **To Sellers**

### **Use of Pocket Radar Inc. Trademarks**

Pocket Radar Inc. is a member of eBay's VeRO Program. The name Pocket Radar® and the Pocket Radar logo design are registered trademarks of Pocket Radar Inc. The unauthorized use of any trademark that is owned by Pocket Radar Inc. is strictly prohibited without prior written consent from Pocket Radar Inc. It is permissible to use trademarked name "Pocket Radar®" only where an individual is selling one of our products that they personally own and are selling themselves and using the registered trademark indicator mark "®" in the listing title and item specifics only to factually describe the product for sale.

If Pocket Radar Inc. discovers that its trademarks are being used in an unauthorized manner on eBay, Pocket Radar Inc. will notify the VeRO Program.

### **Use of Photos of Pocket Radar Equipment, Reproduction of Product, Copyrighted Materials**

Sellers cannot use copyrighted materials or copyrighted photographs of Pocket Radar brand products to promote the sale of items posted for auction. This includes any related product and services names, designs, slogans, vanity numbers and model numbers, photographs, written material, text, or other materials that originated from any of the Pocket Radar brand web-sites, social media, or other accounts or sources owned or managed by Pocket Radar Inc. or any of the Pocket Radar Inc. authorized dealers. In addition, sellers cannot produce unauthorized copies of genuine products and offer them for sale.

### **Attempted Sale of Proprietary Information / Trade Secrets**

If a seller posts for sale on eBay information that Pocket Radar Inc. considers to be a trade secret or proprietary information, Pocket Radar Inc. will notify eBay. In response, eBay may remove the seller's auction. Pocket Radar Inc. may also notify federal, state and local law enforcement authorities. For example, Pocket Radar Inc. does not sell or otherwise make publically available its proprietary information. For example, Pocket Radar Inc. would consider a listing for an encryption code to be an attempted sale of Pocket Radar Inc. proprietary information and would notify eBay.

For any further details or questions you can contact Pocket Radar Inc. through the "Contact Us" page from the web-site at: [www.PocketRadar.com](http://www.PocketRadar.com)
