Used Sadowsky Instruments on eBay

eBay is used by many Sadowsky owners as a venue for selling their instruments. If you have any questions as to the authenticity of any "Sadowsky" instruments for sale on eBay, we welcome your inquiry. Sadowsky Guitars will not permit the use of the Sadowsky trademark in any auctions on eBay that we consider to not be genuine Sadowsky products. Any questions regarding authenticity or trademark infringement should be directed to Roger Sadowsky at roger@sadowsky.com.
