

SALTWORKS, INC.

SaltWorks® is America's Sea Salt Company®. Founded in 2001 and based near Seattle, in Woodinville, WA, we supply premium-grade specialty salts to salt enthusiasts around the world. From culinary, gourmet salts to therapeutic salts for the bath, our customers range from individuals who order by the jar, to manufacturers, restaurants, retail stores, and spice companies who order by the pallet, truckload, and ocean container.

SaltWorks will report all unauthorized uses of its intellectual property from eBay, but it is difficult to identify and remove every infringing sale. The fact that an active sale infringes SaltWorks intellectual property does not give other sellers to right to do so as well. Sellers have the responsibility to ensure that their sales are not in violation of federal and international trademark, unfair competition, trademark laws, copyright laws, and ignorance is not an excuse for infringement
