Surgical Appliance Industries, Inc. (SAI Brands) is the owner of the: OTC®, Truform®, PCP®, Champion®, CSX®, and Touch brands. We recognize that our success is tied to the accurate representation of these brands through our network of select authorized dealers. As a result, SAI Brands has unilaterally partnered with the eBay Vero program to protect the integrity of our trademarked brand names and copyright images.

Please note our intellectual property, which includes the trade names, trademarks, service marks and copyrights owned by SAI Brands embody the goodwill and reputation we have developed in the marketplace, and are valuable and important assets to our business. Accordingly, we carefully monitor and diligently protect our rights in these intellectual property assets in order to guard against their misuse. We take all appropriate actions, where necessary, to fully protect our rights.

As a final note to eBay sellers, we would like to underscore that we are not able to authenticate any products or listings, which have not been purchased directly from SAI Brands. All sellers should note our product warranties are non-transferable, and product warranties are voided without proof of purchase including a valid SAI Brands invoice.

We appreciate sellers understanding of these policies and cooperation in resolving any issues relating to these policies.
