

## THE POWER OF PHILANTHROPY

Donors to the National Geographic Society generously support our work and make it possible for us to impact in the world in the fields of exploration, scientific research, storytelling, and education. Together, we're investing in bold people and transformative ideas to help generate solutions for a healthier and more sustainable future. We are grateful for the support of the generous individuals, families, corporations, foundations, and partners shown here. This list reflects gifts received between January 1 and December 31, 2016.
