

## CNme Patient Portal Account Request

### INSTRUCTIONS

Registration form and additional information available at [carenet/CNme](http://carenet/CNme).

This form is to be used by patients of the Care New England Health System (including Kent, W&I, Butler, VNA and HT) to request access to the CNme patient portal.

1. Fill out form
2. Present completed form with valid photo ID at the HIM office (Kent or W&I hospitals) during business hours.
3. Allow 3 business days for processing prior to account being enabled. A message will be sent to the email account provided below. You will need to follow the link and instructions in that message in order to enable your secure portal account.
4. If you have more questions about using CNme call 1-877-621-8014. This support line is available 24 hours a day, seven days a week, 365 days a year
