SUBJECT:

Robertson called to tell me that Air Force had approached him for permission to declassify the conclusions of the "Report of the Scientific Panel on Unidentified Flying Objects", which OSI organized in January 1953. The request had come to Robertson from Maj. James F. Byrne of AF CIN-XIA (ext. 74903). I told Robertson we would examine the matter and Maj. Byrne should contact me directly. I will take the necessary action on this on my return.
