A. Uvalde, Texas.

Q. What was your duty assignment in March 1968 at the time this operation took place?

A. Grenadier.

Q. You were a grenadier?

A. Yes, sir.

Q. In which platoon?

A. 2d Platoon.

Q. Which squad?

A. 3d Squad.

Q. Who was your platoon leader?

A. Brooks.

Q. And your squad leader?

A. La Croix--Sergeant La Croix.

Q. Would you tell me, to the best of your memory, what you remember about this operation? And I'm primarily concerned with the first day. You remember it was a combat assault operation.

A. Well, we got CA there; swept through the village, flush out the--a couple of VC, 'cause the artillery had been pounding the village for--say an hour prior to the assault.

Q. Do you remember what time you landed?

A. Around eight o'clock, morning time.

Q. Do you remember where you were located in the helicopter? Were you on the inside or were you in one of the doors?

A. Well, I was--I can't recall.

Q. Were you in the helicopter with Sergeant La Croix?

A. Yes, sir.

Q. What weapon were you armed with?

A. 79--M-79.

Q. Was there ammunition available for that weapon?

~~CONFIDENTIAL~~
FOR OFFICIAL USE ONLY (DELGADO)

~~CONFIDENTIAL~~

1 A. Yes, sir.

4 commander the day before that operation?

5 A. Well, yes, sort of.

6
7 Q. Who was the company commander?

8 A. Medina.

9
10 Q. What did he say in that briefing?

11 A. Well, he said we were going to make a combat
12 assault. There was a suspected regiment, NVA, in that
13 area, and it was going to be hard, but we had to do it.

14
15 Q. Do you remember the name of the village you
16 landed by?

17 A. I think it was known as My Lai--My Lai--My Lai (4).

18
19 Q. Was your platoon at Dottie or Uptight?

20 A. Dottie.

21
22 Q. Do you remember the direction your helicopter
23 was facing when it landed?

24 A. No, sir.

25
26 Q. Do you remember, when you got out of the door,
27 whichever door it was--were you facing the village? Or
28 were you facing away from it?

29 A. I think I was facing (indicating) more or less
30 in between the village (indicating) and another area.
31 'Cause when you get out there, when you're in a combat
32 assault, your chopper lands, everybody spreads out around
33 the chopper in a ring shape. And after that they start
34 moving toward the objective.

35
36 Q. How far did your chopper land from the edge of
37 the village?

38 A. I would say about 200 meters.

39
40 Q. Do you remember whether or not the door gunners
41 were firing prior to your landing?

42 A. I don't remember, sir.

43
44 Q. Did Captain Medina give any specific instructions
45 regarding the destruction of the village?

Q. Do you remember what section of the village your squad moved through?

A. No, sir.

Q. Do you remember the direction of the landing zone from the village?

Q. You were moving east?

A. I think so. I'm not--I'm not positive on that, sir.

Q. At the time that you got out of the helicopter, were any of the huts in the village burning?

A. I think a few of them were burning.

Q. Were any American troops in the village at that time?

1 Q. Did you see any craters where the rounds would
2 have fallen?

3 A. Well, like Vietnam is full of craters, sir. It
4 maybe hit a month before, two months before, something
5 like that.

6
7 Q. Do you have any reason to believe that white
8 phosphorous, WP, was used as part of the artillery con-
9 centration?

10 A. No, sir.

11
12 Q. What is your estimate on the number of hootches
13 that were burning when you first saw the village?

14 A. Well, I saw smoke. This--maybe two or three,
15 something like that.

16
17 Q. Did you see any of the helicopter gun ships
18 firing?

19 A. Yes, sir. They cut down a couple of (indicating)
20 Viet Congs that were running off. They were circling, sir--
21 circling around, sir.

22
23 Q. Did their fire appear to be accurate?

24 A. Yes, sir.

26 Q. Were they firing miniguns or M-16s?

27 A. Miniguns, rockets.

28
29 Q. They brought down these two VC?

30 A. Yes, sir. I--we saw two dead Viet Cong later
31 after we swept through. Weapons and everything were there.

32
33 Q. Did you recover the weapons?

34 A. Yes, sir.

35
36 Q. Did these men appear to have been killed by
37 rockets or small arms fire?

38 A. Small arm.

39
40 Q. Did you see the gun ships fire anywhere else
41 besides that one place?

42 A. Not that I recall.

43
44 Q. Did you see any National Police or ARVN with
45 your unit?

1 A. No.

2
3 Q. Had you participated in operations in this
4 particular area prior to the 16th of March?

5 A. Yes, sir.

6
7 Q. This was in the Pinkville complex?

8 A. Yes, sir.

9
10 Q. Did you get fairly close to this particular
11 village prior to the 16th of March?

12 A. Yes, sir.

13
14 Q. Did you ever receive any fire from that village?

15 A. Yes, sir.

16
17 Q. When was that?

18 A. It would be around February. We got--once we
19 got our platoon--we got pinned down by machine gun fire,
20 automatic fire, mortars round.

21
22 Q. Where was that fire coming from?

23 A. Pinkville.

24
25 Q. Now when we talk of Pinkville, are we talking
26 about My Lai (1) or My Lai (4)?

27 A. Well, that would be--I would say that would be
28 My Lai (4).

29
30 Q. How far do you think you were from the sea when
31 you landed?

32 A. How far was I from the--from the what?

33
34 Q. From the sea; from the ocean or South China Sea.

35 A. I would say about six clicks.

36
37 Q. You have a pretty good memory on where you went
38 in.

39
40 Have you seen this map (handing map to witness)
41 before? It's the 1:50,000, Quang Ngai sheet.

5 from that map.

6 A. (Examining map.) No. I couldn't say, sir.

7
8 Q. Did you lose any men on that operation?

9 A. Yes, sir.

10
11 Q. Who?

12 A. Well, we lost two. I can't recall their names.

13
14 Q. Do you know where the other squads in your
15 platoon were located with reference to your squad? Were
16 they on the right or left?

17 A. That would be when we got pinned down?

18
19 Q. No, no. This would be on the 16th of March
20 operation.

21 A. Well, we were--I can't say 'cause we were on
22 line (indicating)--the whole company.

23
24 Q. How was this line formed?

25 A. Well, just (indicating)--I'd say maybe five
26 meters between each man, all the way down, sweeping through
27 the village.

28
29 Q. Was it formed before you went into the village?

30 A. Yes, sir.

31
32 Q. On the landing zone?

33 A. Yes, sir.

34

36 thing, that that line was formed on? When you left the
37 helicopter and moved toward the village, do you remember
38 stopping on some sort of terrain feature?

39 A. Not a terrain feature, but I remember stopping
40 so everybody would get on place.

41
42 Q. Did you see Captain Medina in the village?

43 A. No, sir.

44
45 Q. Do you know PFC Esequiel Torres?

7 Q. From your position, as you formed this line,
8 about how many huts could you see?

9 A. Four or five.

13 A. I was sometimes in the rice paddies.

14 Q. Did you observe any personnel--US personnel--
15 indiscriminately firing on civilians?

16 A. No.

12
13 Q. Did you feel that C Company went into this
14 operation with a "get even" attitude?

15 A. "Get even" attitude?

16
17 Q. Yes.

18 A. Maybe it did, but maybe it didn't, 'cause we had
19 lost a couple of mens up there, in mines, and all that
20 stuff.

21
22 Q. Did Captain Medina say anything at his briefing
23 which might cause the unit to feel that this village would

12 A. (Nodding affirmatively.)

13
14 Q. Sergeant Torres says that you and Trevino and
15 Rodriguez were together on this operation.

16 A. Rodriguez was with us, but I don't recall Torres.

32 A. Large, heavy-set--

33
34 Q. Big fellow.

35 A. Do you recall what platoon he was with?

36
37 Q. No.

38 A. Large--do you recall his name?

44 Q. He wasn't a big man?

45 A. No. He was just a little taller than me. Maybe
46 about your size.

1 Q. This man was, as I understand from a descrip-
2 tion, sort of fat.

3 A. Fat. We had one; he was kind of big, but he
4 wasn't fat. Buchanon was his name--Sergeant Buchanon.

5
6 Q. What was Sergeant Buchanon's job?

7 A. Platoon sergeant.

8
9 Q. How many people do you estimate were killed in
10 this village?

11 A. Well, from what I learned from the casualty
12 report, maybe a hundred.

13
14 Q. How many did you see?

15 A. Well, I saw a couple of dead bodies, but I can't
16 recall how many.

17
18 Q. Did you hear, after this operation, that groups
19 of villagers had been rounded up and executed?

20 A. I heard some rumors like that, but I can't be
21 sure.

22
23 Q. Where did you hear these rumors?

24 A. Around Dottie.

25
26 Q. Dottie?

27 A. (Nodding affirmatively.)

30 A. I can't recall. We just sit together, drink

35 A. No.

36
37 Q. Were any names mentioned?

38 A. Names mentioned?

39
40 Q. When these statements were made as to who did

2 A. No, not that I recall.

3
4 Q. Now was Calley mentioned as the individual
5 whose unit was responsible for this? or as the individual
6 who pulled the trigger?

7 A. Well, I can't be sure, 'cause--like when you
8 say somebody's talking, and they say--well, that Calley's
9 platoon was up there--from the rumors I heard, they shot
10 up a lot of gooks--you know, Vietnamese people.

11
12 Q. Did you have any reason to think that any one
13 platoon in that unit was responsible? Or were these rumors
14 referred to any one group--

15 A. No.

16
17 Q. --or unit?

18 A. No, sir.

19
20 Q. Did this operation appear to be any different
21 than any other combat assault you went on?

22 A. Well, in a way it was 'cause I saw a lot of dead
23 people there.

24
25 Q. Moreso than other operations.

26 A. Moreso. Well--

27
28 Q. Yes?

29 A. I think so.

30
31 Q. Was there any difference in procedures for this
32 combat assault than any other combat assault you partici-
33 pated in?

34 A. No.

35
36 Q. Always had gun ships, always had artillery
37 preparation--

38 A. Well--

39
40 Q. --always moved with reconnaissance by fire.

41 A. Well, no. Like sometimes we didn't have gun ships,
42 sometimes we didn't have recon by fire and artillery.

1 assault?

2 A. Well, it might have been feared 'cause we were
3 new in the country. We hadn't been there but about three
4 months, or something like that. We had been getting hit
5 pretty bad in that area--like the intelligence report
6 said there was a regiment there that--

7
8 Q. Did you normally receive an intelligence briefing
9 prior to these operations which indicated that there were
10 battalions or regiments in the areas?

11 A. Personally, no.

12
13 Q. These dead people that you mentioned you saw--did
14 they appear to be scattered out over the village or were
15 they in groups?

16 A. Scattered out.

17
18 Q. Were they in huts or out of huts?

19 A. Out of huts.

20
21 Q. Now how did they appear to be killed?

22 A. Small arm.

23
24 Q. And were all of these people inside the village?

25 A. (Indicating) Well, yeah.

26
27 Q. Did you see any out in the rice paddies, besides

29 A. No.

30
31 Q. Did you ever go back through this village at any
32 date after the operation?

33 A. No.

34
35 Q. Do you remember ever receiving an order to stop
36 firing while in the village?

37 A. I think I did.

38
39 Q. Do you remember how that order was given?

40 A. Well, I don't recall, but my--I recall my squad
41 leader told me. "Cease fire. Just sweep through the
42 village."

43
44 Q. Was there any more firing after that?

45 A. Not that I recall.

1 Q. How long after the line started moving through
2 the village--how long after that did this order come down?
3 A. Maybe an hour.

4
5 Q. An hour?
6 A. (Nodding affirmatively.)
7

8 Q. Do you feel that reconnaissance by fire could
9 have been responsible for the deaths of a large number
10 of people that you saw in the village?
11 A. Yes, sir.
12

13 Q. Did you see a ditch on the east side of the
14 village--on the other side of the village--as you moved
15 through?
16 A. After we crossed the village?
17

18 Q. Yes. When you swept through the village (indi-
19 cating), on the other side, did you notice a ditch over
20 there?
21 A. No.
22

23 Q. You didn't see one?
24 A. No.
25

26 Q. There's a hearsay statement--you know what
27 hearsay is?
28 A. What's that?
29

30 Q. Hearsay is not an eye witness.
31

32 But I have a hearsay statement that said a
33 group of civilians was rounded up, put together, and
34

35 "Kally ordered Pfc Torres to man the
36 machine-gun and open fire on the villagers
37 that had been grouped together." And that
38 Torres, "before everyone in the group was
39 down...ceased fire and refused to fire
40 again....Lieutenant Kally took over the
41 M-60 and finished shooting the remaining
42 villagers in that first group himself."
43

44 Do you think Torres did that?
45 A. Could be, sir.

Q. But would he have been with Calley?
A. Would he--

Q. Would he have been with Calley?
A. Would he have been--

Q. Would he have been with Calley if he was working
with your platoon?
A. Could be, sir.

Q. Did you see many villagers running?
A. There were a couple of them there.

Q. What were the instructions passed out to the
unit regarding Vietnamese that ran from US forces?
A. Shoot.

Q. Shoot them?
A. (Nodding affirmatively.)

Q. What about "Stop"?
A. Well, you shoot in the air. If they don't
stop, try and hit them.

Q. Do you know the word for "Stop" in Vietnamese?
A. Yes, sir.

Q. What is it?
A. "Dung lai."

Q. Did you ever use that?
A. Yes, sir.

Q. Do you remember Sergeant Bacon?
A. Bacon?

Q. Bacon.
A. Bacon?

Q. Yes.
A. Was he a colored guy?

Q. Yes.
A. I remember him.

FOR OFFICIAL USE ONLY

1 Q. Did you see him on this operation?

2 A. No. He was an E-7. Right?

3
4 Q. Well--

5 A. Anyway, it don't make any difference. I was
6 just--just to see if I had the right person.

7
8 Q. Do you remember a man named Wood?

9 A. Wood?

10
11 Q. Yes. W-o-o-d.

12 A. I think I do. He was killed. Right?

13
14 Q. I don't know.

15 A. I remember one Wood.

16
17 Q. There were two Woods in the company.

18 A. Two Woods.

19
20 Q. There's a statement here:

21
22 "I remember this guy, when I pulled
23 this woman and two girls -- I think it was
24 two girls -- and this man out of this hut,
25 a guy, I think from the 2d Platoon, said,
26 'Kill them; don't let them get away.' And
27 I say, 'No, don't kill them; send them up
28 there to the lieutenant.' And then he say,
29 'Give me your rifle,' and I said, 'No, you
30 are not going to have my rifle,' just like
31 that, and then he took the other guy's
32 rifle and then he shoot them....

33
34 "Q. Was this a man from the 2d Platoon?

35
36 "A. Yes. I remember his face. I
37 think he got hurt. He got hit by a grenade,
38 and when I was getting ready to come home I
39 remember seeing him. He had just come from
40 the hospital. I don't know his name but he
41 was kind of a stout guy."

42
43 And I've also heard other statements about a
44 stout colored--heavy-set colored man.

45 A. I can't recall any stout colored man.

1 Q. He mentioned 2d Platoon. And this man was in
2 Bacon's squad, so he knew Bacon. It couldn't have been
3 Bacon.

4 A. Bacon?

5 Q. Yes.

6 A. I don't know 'cause Bacon wasn't in my platoon.

7 Q. I think he was in the 1st Platoon.

8 Then he said he couldn't remember his name.

9 Do you remember a road to the south of the
10 village? I doubt if you got down to the south of the
11 village, but did you move south at any time?

12 A. I can't recall the directions.

13 Q. It would be this (indicating) road right here.
14 That's (indicating) the village.

15 A. (Examining map.) No, I don't.

16 Q. It's probably nothing but a trail.

17 A. The only colored guy I remember is that Hodges,
18 but he wasn't big; just a stocky guy.

19 Q. What was Hodges' job?

20 A. I think he was a squad leader. I'm not positive.

21 Q. In which squad?

22 A. I would say 1st.

23 Q. In which platoon?

24 A. 2d Platoon.

25 Q. Did you say he was stocky?

26 A. Well, he was--

27 Q. Heavy-set?

28 A. Well, he was stocky, but he wasn't big. He
29 was maybe a couple of inches bigger than me.

30 Q. Do you have any further information concerning
31 the matters we have discussed?

32 A. Not that I know.
