Administration for Children and Families

Submission for OMB Review; Intergovernmental Reference Guide (IRG) OMB #0970–0209

AGENCY: Office of Child Support Enforcement; Administration for Children and Families; HHS

ACTION: Request for public comment.

SUMMARY: The Intergovernmental Reference Guide (IRG) is a centralized and automated repository of state and tribal profiles that contains high-level descriptions of each state and tribal child support enforcement (CSE) program. These profiles provide state, tribal, and foreign country CSE agencies with an effective and efficient method for updating and accessing information needed to process intergovernmental child support cases.

DATES: *Comments due within 30 days of publication.* The Office of Management and Budget (OMB) is required to make a decision concerning the collection of information between 30 and 60 days after publication of this document in the **Federal Register**. Therefore, a comment is best assured of having its full effect if OMB receives it within 30 days of publication.

ADDRESSES: Written comments and recommendations for the proposed

information collection should be sent directly to the following: Office of Management and Budget, Paperwork Reduction Project, Email: *OIRA_SUBMISSION@OMB.EOP.GOV*, Attn: Desk Officer for the Administration for Children and Families.

Copies of the proposed collection may be obtained by emailing *infocollection@acf.hhs.gov*. Alternatively, copies can also be obtained by writing to the Administration for Children and Families, Office of Planning, Research and Evaluation, 330 C Street SW, Washington, DC 20201, Attn: ACF Reports Clearance Officer. All requests, emailed or written, should be identified by the title of the information collection.

SUPPLEMENTARY INFORMATION:

Description: The Office of Child Support Enforcement (OCSE) is proposing to add a new section (Section O) with six questions pertaining to family violence in the state profile. This will help process intergovernmental cases with family violence and will help ensure the safety of children and families. OCSE is also proposing to delete Sections A–L (140 questions) from the tribal profile and create new sections (Sections A–D) with 11 questions regarding case processing. This will assist in the efficient processing of paternity and support obligations.

Respondents: State and tribal CSE agencies.

ANNUAL BURDEN ESTIMATES

Information collection instrument	Total number of respondents	Number of responses per respondent	Average burden hour per response	Annual burden hours
IRG: State Profile Guide (states and territories)	54	18	0.3	292
IRG: Tribal Profile Guide	62	18	0.3	335

Estimated Total Annual Burden Hours: 627.

Authority for the IRG information collection activities is: (1) 42 U.S.C. 652(a)(7), which requires the federal OCSE to provide technical assistance to state child support enforcement agencies to help them establish effective systems for collecting child and spousal support; (2) 42 U.S.C. 666(f), which requires states to enact the Uniform Interstate Family Support Act; (3) 45 CFR. 301.1, which defines an intergovernmental case to include cases between states and tribes; (4) 45 CFR. 303.7, which requires state CSE agencies to provide services in intergovernmental cases; and (5) 45 CFR. 309.120, which requires a tribal child support program

to include intergovernmental procedures in its tribal IV–D plan.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Office of the Secretary

Amendment to Declaration Under the Public Readiness and Emergency Preparedness Act for Medical Countermeasures Against COVID–19

ACTION: Notice of amendment.

SUMMARY: The Secretary is issuing this amendment pursuant to section 319F–3 of the Public Health Service Act to extend liability immunity for activities related to medical countermeasures against COVID–19 authorized under the Coronavirus Aid, Relief, and Economic Security Act.

DATES: The amendment to the Declaration published on March 17, 2020 (85 FR 15198) was effective as of March 27, 2020.

FOR FURTHER INFORMATION CONTACT: Robert P. Kadlec, MD, MTM&H, MS, Assistant Secretary for Preparedness and Response, Office of the Secretary, Department of Health and Human Services, 200 Independence Avenue

SW, Washington, DC 20201; Telephone: 202-205-2882.

SUPPLEMENTARY INFORMATION: The Public Readiness and Emergency Preparedness Act (PREP Act) authorizes the Secretary of Health and Human Services (the Secretary) to issue a Declaration to provide liability immunity to certain individuals and entities (Covered Persons) against any claim of loss caused by, arising out of, relating to, or resulting from the manufacture, distribution, administration, or use of medical countermeasures (Covered Countermeasures), except for claims involving “willful misconduct” as defined in the PREP Act. Under the PREP Act, a Declaration may be amended as circumstances warrant.

The PREP Act was enacted on December 30, 2005, as Public Law 109-148, Division C, Section 2. It amended the Public Health Service (PHS) Act, adding Section 319F-3, which addresses liability immunity, and Section 319F-4, which creates a compensation program. These sections are codified at 42 U.S.C. 247d-6d and 42 U.S.C. 247d-6e, respectively. The Coronavirus Aid, Relief, and Economic Security (CARES) Act, Public Law 116-136 was enacted on March 27, 2020. The CARES Act amended section 319F-3(i)(1)(D) of the PHS Act, first added by the Families First Coronavirus Response Act, Public Law 116-127 on March 18, 2020. These amendments created a new category of covered countermeasures eligible for liability immunity under the PREP Act, namely, respiratory protective devices approved by the National Institute for Occupational Safety and Health (NIOSH) under 42 CFR part 84, or any successor regulations, that the Secretary determines to be a priority for use during a public health emergency declared under section 319 of the PHS Act.

On January 31, 2020, the Secretary declared a public health emergency, pursuant to section 319 of the PHS Act, 42 U.S.C. 247d, for the entire United States to aid in the response of the nation’s health care community to the COVID-19 outbreak. On March 10, 2020, the Secretary issued a Declaration under the PREP Act for medical countermeasures against COVID-19 (85 FR 15198 (March 17, 2020)). The Secretary is amending the March 10, 2020 Declaration under the PREP Act to extend liability immunity to covered countermeasures authorized under the CARES Act. This amendment is made in accordance with section 319F-3 of the PHS Act, which authorizes the Secretary

to amend a PREP Act declaration at any time.

Description of This Amendment by Section

Section I. Determination of Public Health Emergency or Credible Risk of Future Public Health Emergency

Before issuing a Declaration under the PREP Act, the Secretary is required to determine that a disease or other health condition or threat to health constitutes a public health emergency or that there is a credible risk that the disease, condition, or threat may constitute such an emergency. This determination is separate and apart from the Declaration issued by the Secretary on January 31, 2020 under section 319 of the PHS Act that a disease or disorder presents a public health emergency, including significant outbreaks of infectious diseases or bioterrorist attacks, otherwise exists, or other Declarations or determinations made under other authorities of the Secretary. As amended by the CARES Act, to extend the Declaration to respiratory protective devices approved by NIOSH, the Secretary must also determine that a respiratory protective device approved by NIOSH under 42 CFR part 84, or any successor regulations, is a priority for use during the public health emergency declared by the Secretary under section 319 of the PHS Act.

Accordingly, in Section I of the Declaration, the Secretary is amending his determination that the spread of SARS-CoV-2 or a virus mutating therefrom and the resulting disease, COVID-19, constitutes a public health emergency for purposes of this Declaration under the PREP Act to include the determination that the use of any respiratory protective devices approved by NIOSH under 42 CFR part 84, or any successor regulations, is a priority for use during the public health emergency declared by the Secretary on January 31, 2020 under section 319 of the PHS Act for the entire United States to aid in the nation’s health care community response to the COVID-19 outbreak.

Section VI. Covered Countermeasures

Section VI of the Declaration identifies the Covered Countermeasures for which the Secretary has recommended such activities. As amended by the CARES Act, the PREP Act states that a “Covered Countermeasure” must be a “qualified pandemic or epidemic product,” a “security countermeasure,” a drug, biological product, or device authorized

for emergency use in accordance with sections 564, 564A, or 564B of the Federal Food, Drug, and Cosmetic (FD&C) Act, or a respiratory protective device approved by NIOSH under 42 CFR part 84, or any successor regulations, that the Secretary determines to be a priority for use during a public health emergency declared under section 319 of the PHS Act. Accordingly, in Section VI of the Declaration, the Secretary is amending the list of medical countermeasures against COVID-19 that are covered countermeasures under the declaration to include covered countermeasures authorized by the CARES Act, namely respiratory protective devices approved by NIOSH under 42 CFR part 84, or any successor regulations, that the Secretary determines to be a priority for use during a public health emergency declared under section 319 of the PHS Act.

Section XII. Effective Time Period

The Secretary must identify, for each Covered Countermeasure, the period or periods during which liability immunity is in effect, designated by dates, milestones, or other description of events, including factors specified in the PREP Act. Accordingly, the Secretary is amending Section XII of the Declaration to specify the effective time period for covered countermeasures authorized by the CARES Act.

Amendments to Declaration

Amended Declaration for Public Readiness and Emergency Preparedness Act Coverage for medical countermeasures against COVID-19.

Sections I, VI and XII of the March 10, 2020, Declaration under the PREP Act for medical countermeasures against COVID-19 are amended pursuant to section 319F-3(b)(4) of the PHS Act as described below. All other Sections of the Declaration remain in effect as published at 85 FR 15198 (March 17, 2020).

1. Determination of Public Health Emergency, Section I: Delete in full and replace with:

I. Determination of Public Health Emergency

42 U.S.C. 247d-6d(b)(1)

I have determined that the spread of SARS-CoV-2 or a virus mutating therefrom and the resulting disease COVID-19 constitutes a public health emergency. I further determine that use of any respiratory protective device approved by NIOSH under 42 CFR part 84, or any successor regulations, is a priority for use during the public health emergency that I declared on January

31, 2020 under section 319 of the PHS Act for the entire United States to aid in the response of the nation's health care community to the COVID-19 outbreak.

2. Covered Countermeasures, Section VI, delete in full and replace with:

VI. Covered Countermeasures

42 U.S.C. 247d-6b(c)(1)(B), 42 U.S.C. 247d-6d(i)(1) and (7)

Covered Countermeasures are any antiviral, any other drug, any biologic, any diagnostic, any other device, any respiratory protective device, or any vaccine, used to treat, diagnose, cure, prevent, or mitigate COVID-19, or the transmission of SARS-CoV-2 or a virus mutating therefrom, or any device used in the administration of any such product, and all components and constituent materials of any such product.

Covered Countermeasures must be "qualified pandemic or epidemic products," or "security countermeasures," or drugs, biological products, or devices authorized for investigational or emergency use, as those terms are defined in the PREP Act, the FD&C Act, and the Public Health Service Act, or any respiratory protective device approved by NIOSH under 42 CFR part 84, or any successor regulations.

3. Effective Time Period, Section XII, delete in full and replace with:

XII. Effective Time Period

42 U.S.C. 247d-6d(b)(2)(B)

Liability immunity for any respiratory protective device approved by NIOSH under 42 CFR part 84, or any successor regulations, through means of distribution, as identified in Section VII(a) of this Declaration, other than in accordance with the public health and medical response of the Authority Having Jurisdiction, begins on March 27, 2020 and extends through October 1, 2024.

Liability immunity for all other Covered Countermeasures identified in Section VI of this Declaration, through means of distribution, as identified in Section VII(a) of this Declaration, other than in accordance with the public health and medical response of the Authority Having Jurisdiction, begins February 4, 2020 and extends through October 1, 2024.

Liability immunity for all Covered Countermeasures administered and used in accordance with the public health and medical response of the Authority Having Jurisdiction begins with an emergency declaration and lasts through (1) the final day the emergency Declaration is in effect, or (2) October 1, 2024, whichever occurs first.

Authority: 42 U.S.C. 247d-6d.

Dated: April 10, 2020.
