Dissertation Bootcamp

//CODiE//
2021 SIA CODiE FINALIST

Academic writing is an essential skill for graduate success and degree completion and can sometimes require a shift in writing and research techniques. With many graduate students juggling family, work, and their graduate studies, ProQuest offers FREE on-demand interactive lessons.

ACCESS THEM ANYTIME, ANYWHERE

Gain the Skills to:

1. Understand what other work has been produced under their field.
2. Define a niche topic, what research questions are outstanding in this field?
3. Understand the qualities of a well written dissertation.
4. Generate a literature review for proposal writing.
5. Leverage the ProQuest Dissertations & Theses Global collection to enhance your outcomes.

GO:
