Commented [A9]: This reference needs some work, as it is not clear what kind of reference it is. "tripleC" is a journal, but the full title you give seems to be of a conference, not a paper. Please take care to follow the guidelines of Chicago style to properly format this reference. Commented [A14]: Arabic numerals (as opposed to Roman numerals) are always used for volume numbers in Chicago-style reference lists.

Commented [A15]: In editing this reference, I assumed that the other volume or volumes had different editors. If David Bell edited all of the volumes, then I would remove "vol. 2," and write the page numbers like this: "2:80–106."
