MEDIA GUIDE 2024

MEDIA GUIDE

Ecological Society of America

Welcome to the publications of the **Ecological Society of America** (ESA). Our mission is to publish the most significant results of ecological research, particularly those that increase the understanding and applications of general ecological concepts.

Frontiers in Ecology and the Environment

Frontiers in Ecology and the Environment, issued 10 times per year, is a benefit of membership of the ESA and published in print and online. International in scope and interdisciplinary in approach, Frontiers focuses on current ecological issues and environmental challenges. The journal is aimed at professional ecologists and scientists working in related disciplines, and covers all aspects of ecology and the environment, focusing on global issues, new approaches to old problems, and practical applications of ecological science.

Impact Factor 2022: 10.3

2023 Journal Citation Reports: 6/169 (Ecology) 25/274 (Environmental Sciences)

Published 10 times in 2022

ONLINE METRICS (January 2022– December 2022)

Avg. Monthly Page Views: 78,928

Avg. Monthly Unique Visitors: 33,600

We are pleased to publish our peer-reviewed journals *Ecology*, *Ecological Applications*, *Ecological Monographs*, and *Ecosphere* **exclusively online**, communicating research in the most efficient and effective way possible. Our quarterly news channel, *The Bulletin of the Ecological Society of America*, is also exclusively published online. *Frontiers in Ecology and the Environment* continues to be published in print and online.

Ecology

Established in 1920, *Ecology* is an online publication reporting on the basic elements of ecological research. Emphasis is placed on concise, clear articles documenting important ecological phenomena.

The journal publishes a broad array of research that includes rapidly expanding subject matter, techniques, approaches, and concepts: paleoecology through present-day phenomena; evolutionary, population, physiological, community, and ecosystem ecology.

Impact Factor 2022: 4.8

2023 Journal Citations Report: 36/169 (Ecology)

Published monthly in 2022

ONLINE METRICS (January 2022 – December 2022)

Avg. Monthly Page Views: 201,091

Avg. Monthly Unique Visitors: 64,153

Ecological Applications

Ecological Applications publishes research and discussion papers that integrate ecological science and concepts with their application and implications. Of special interest are papers that develop the basic scientific principles on which environmental decision-making should rest, and those that discuss the application of ecological concepts to environmental problem solving, policy, and management.

Impact Factor 2022: 5.0

2023 Journal Citation Reports: 31/169 (Ecology)
78/274 (Environmental Sciences)

Ecological Monographs

Papers published in *Ecological Monographs* provide integrative and complete documentation of major empirical and theoretical advances in the field, and establish benchmarks from which future research will build. In this world of rapid scientific advancement and never ending environmental change, *Ecological Monographs* provides thoughtful integration of scientific ideas, data, and concepts that feeds the mind and guides the development of the maturing science of ecology.

Impact Factor 2022: 6.1

2023 Journal Citation Report: 16/169 (Ecology)

Published February, May, August, and November in 2022

ONLINE METRICS (January 2022– December 2022)

Avg. Monthly Page Views: 38,388

Avg. Monthly Unique Visitors: 15,766

Ecosphere

Ecosphere welcomes submissions from all sub-disciplines of ecological science, as well as interdisciplinary studies relating to ecology. The journal's goal is to provide a rapid open access alternative to ESA's other journals, while maintaining the rigorous standards of peer review for which ESA publications are renowned.

Impact Factor 2022: 2.7

2023 Journal Citation Report: 75/169 (Ecology)

Published and updated continuously in 2022

ONLINE METRICS (January 2022– December 2022)

Avg. Monthly Unique Visitors: 41,115

Bulletin of the Ecological Society of America

The official record of the business of the ESA, The Bulletin of the Ecological Society of America is published online 4 times a year. The Bulletin also covers ecological events, news and reports of interest to the ecological community. This publication is a place of commentary and opinion on ecological issues which do not require scientific refereeing beyond the section editors and the Editor-in-Chief.

Published January, April, July, and October in 2022

Online Opportunities

Wiley continues to invest in and develop digital initiatives to support its role as a leading knowledge provider. We are leveraging technology to serve the needs of the scientific communities.

Banner Advertising

ESA Journals are published on the Wiley Online Library, one of the world's most heavily trafficked online resources for scientific, medical and scholarly content.

Visit: esajournals.onlinelibrary.wiley.com.

Ad banners are available in 2 configurations, **Leaderboard** and **MPU**. Please contact your representative for specific targeting opportunities.

Banner Ad Specifications:

- Include your URL with ad creativefile
- Acceptable file formats: GIF, JPG, PNG and HTML5
- Maximum banner size: 200 KB
- Rich media accepted

Ad Technology Providers:

support.google.com/admanager/answer/9012903

About Wiley

Wiley is a world-leading publisher of academic, scientific and professional information, and the world's largest society journal publisher. Wiley has a rich source of essential content, including a large portfolio of peer-reviewed journals serving the knowledge ecosystem in science and engineering.

We develop bespoke projects, linked to an extensive range of publications available on Wiley Online Library. Our global online resource includes 1,700+ journals and over 8 million articles.

Through the reach and credibility of our extensive portfolio, we support your marketing and customer engagement strategies, maximizing their impact.
