**13 Caris James (/v/pizzagate/1435385)** (pizzagate (/v/pizzagate))  
submitted 1 month ago by tamamshud (/user/tamamshud)

Photos of Caris James (<http://sli.mg/dkpNmv>) from the instagrams, in chronological order.

James/Christopher Alefantis claims in the recent video to be her godfather. Someone also refers to him as grandpa Jimmy.

Where is this girl? Nobody has found a trace of her. The last known photo of her (playing with PVC tape) is from early 2015. There do not appear to be any photos of her outdoors, and there are signs of abuse and neglect.

Why did godfather Jimmy take her to Europe when she was an infant, and why does the only travel photo show her chewing on \$1000 stacks of euros?

This is interesting because the pig farm owner he knows, Kent Ozkum, is also a doctor specializing in?.....you guessed it....pain medication and an anesthesiologist!!!

**Urgent:** Casket company "The company has 2 principals on record. The principals are Cory Wren Woolman from Portland OR and Robert Scott Cummings from Portland OR." (quoted from the link below). <https://www.bizapedia.com/or/portland-natural-casket-company-llc.html> (<https://www.bizapedia.com/or/portland-natural-casket-company-llc.html>)

Equally urgent (???): Also in Portland is a "MR" Cory Woolman, per the BBB site, who runs a learning center for small children with several locations. No idea, of course, if it's related, but it seems odd and a bit too coincidental. See "ChildRoots"

The "Mr." may be a typo? Cory Woolman was Director at Childroots - there's a thread up somewhere here on Voat. Includes her full resume - Employment Record - Education/Harvard

The very minute he stated "god daughter" a red light lit up with me on this! She definitely needs to be found.

I could be completely off here but when I clicked to see which two profiles CarisJames follows, it's Farrah and Maci from MTV's Teen Mom. Remember a few years ago when the show first started and Tyler and Catelyn give their daughter CARly up for adoption to this wealthy couple?

I believe Tyler and Cate's daughter is about 7ish now.

She may be. She is in the #chickenlovers picture with Scott, and I can identify her with him in two photos here ([https://webcache.googleusercontent.com/search?q=cache:GaD6bYaZZncJ:https://www.reddit.com/r/pizzagate/comments/5csusq/identified\\_cb\).\[1](https://webcache.googleusercontent.com/search?q=cache:GaD6bYaZZncJ:https://www.reddit.com/r/pizzagate/comments/5csusq/identified_cb).[1)

Only two daughters are identified in that thread, but it's clear from their MySpace gallery (<https://myspace.com/nofingerprintsnoface>) that they also have a son.

James says "Caris loves being in Europe", but it's possible he was joking.

[1] The relevant part of the original post, in case the cached link does not work:

**(1) ALL submissions should be directly related to Pizzagate. (Click Here to Read the Pizzagate Definition**

**(<https://voat.co/v/pizzagate/1533862>))** It is the responsibility of the poster to demonstrate relevance. In most cases this will require a Discussion post where you provide a brief explanation of how your content relates to the investigation. Sometimes there will be content (like an article on Pizzagate) where a link post with an accurate, descriptive title will be enough to satisfy this requirement.

**(2) EVERY claim that is made as part of your post needs to be sourced.** If you are asking a question, give a brief summary of what led to your question, and provide sources for those elements. If you are giving an explanation of how your content relates to Pizzagate (satisfying Rule 1), and you need to connect a few dots to do so, please provide sources for your "dots". If you wish to ask general questions about Pizzagate, please do so [HERE](https://voat.co/v/askpizzagate) (<https://voat.co/v/askpizzagate>).

**(3) LINK posts (VIDEO, IMAGE, ARTICLE, etc.) all need to include an accurate description of the actual content.** If you can't provide an accurate summary in the title of a Link post then you *must* submit it as a Discussion post where you provide the link with a brief description of the content.

**(4) META submissions and general discussion submissions without sources will be removed.** To avoid diluting the front page, please make those sorts of submissions [HERE](https://voat.co/v/pizzagatwhatever) (<https://voat.co/v/pizzagatwhatever>). Please bring any meta concerns you have [HERE](https://voat.co/v/pizzagatemods) (<https://voat.co/v/pizzagatemods>) (this is also where the mods will discuss moderating the sub, so you are welcome to participate in those conversations as well).

**(5) Standalone MEMES will be removed.** Please post standalone memes [HERE](https://voat.co/v/PizzagateMemes) (<https://voat.co/v/PizzagateMemes>). If you feel that a given meme can be used to raise awareness, please link it as part of a Discussion post where you source the elements that it is related to and discuss the best ways to use it. If you want to discuss the accuracy of a meme, again, link it in a Discussion post that sources the relevant elements from the investigation.

**(6) NSFW submissions (gore, nudity, etc.) must be labeled as such.** This is not an adult subverse.

Please note that adspam, illegal content, and personal information about Voat subscribers will be removed, and the offender will be banned.

I think this is one of the best lines to investigate. Alfantis has said this is his God-daughter.. He should prove it and prove her well being

You see that hashtag on so many of his instagram posts. I was wondering what the meaning was, are we sure it is only the name of this girl? It doesn't have some kind of other meaning also?

I think the #CarisJames tag simply means "Caris with James".

(I explored other possible meanings before. For example, someone called her Ceris, which is Welsh for "love" and would parallel James/J'aime.)
