The SIONYX Aurora Sport is our most affordable color digital night vision camera in the lineup. The Sport was developed for coastal environments and is most popular with recreational boaters. Add a new level of safety when navigating at night with our proprietary color night vision technology. Use the camera's internal wireless connection to stream night vision to your favorite Apple or Android Tablet (or phone) at your helm station. Whether you're heading out early in the morning to get first catch, or navigating back home late at night, add the Aurora Sport and gain confidence when boating in the dark.

#### 2 MLX NEAR-MOONLESS STARLIGHT

Allows you to see well beyond human eyesight & pick up a man-sized target at 150 meters.

#### WiFi

Stream live to your smart phone, tablet or other wifi enabled device through the SIONYX App.

#### IP-67

Submersible to 3 ft for 30 minutes. You can safely use the Aurora Sport in inclement weather conditions.
