

UPDATED CAR POOL RULES

Please note the updated car pool rules. When the parents, staff, and administration work together we can ensure a safe dismissal at the end of each day at Abrams.

- All students will remain inside until they are called by the teacher responsible for car-line. **No exceptions!**
- First-come-first-serve: Students will be called in order of the placement of the cars in line, in an orderly fashion.
- Parents please do not get out of the car during car-line. The staff will assist you once you reach the front of the line.
- Parents must not drive around other cars in car-line – please stay in line until your child/ren are called.
- If parents would like to enter the building to collect their children or speak to teachers, please park beyond the car pool line area.
- If there is a specific reason you have to have your children expedited early, please email Rabbi O ahead of time so arrangements can be made in advance.

With our eye towards safety, we want to ensure that the Abrams car pool line is a safe environment.
