#### *Policy and Procedures Manual*

Competitors should be familiar with the Competitive Events Policy & Procedures Manual, found on the Competitive Events page on [www.fbla.org](http://www.fbla.org).

#### *Eligibility*

- FBLA membership dues are paid by 11:59 pm Eastern Time on March 1 of the current program year.
- Members may compete in an event at the National Leadership Conference (NLC) more than once if they have not previously placed in the top 10 of that event at the NLC. If a member places in the top 10 of an event at the NLC, they are no longer eligible to compete in that event.
- Members must be registered for the NLC and pay the national conference registration fee in order to participate in competitive events.
- Members must stay in an official FBLA hotel to be eligible to compete.
- Each state may submit four entries per event.
- Each member can only compete in one individual/team event and one chapter event (American Enterprise Project, Community Service Project, Local Chapter Annual Business Report, Partnership with Business Project).
- Only competitors are allowed to plan, research, and prepare their production tests.
- Each competitor must compete in all parts of an event for award eligibility.
- Picture identification (physical or digital driver's license, passport, state-issued identification, or school-issued identification) is required when checking in for competitive events.
- If competitors are late for an objective test, they will be allowed to compete until such time that results are finalized, or the accommodation would impact the fairness and integrity of the event. Competitive event schedules cannot be changed. Competitive events start in the morning before the Opening Session of the NLC.

#### *Recognition*

- The number of competitors will determine the number of winners. The maximum number of winners for each competitive event is 10.

#### *Event Administration*

- This event has two parts: Objective Test and Production Test
- Objective Test
  - The objective test is administered online at the NLC.
  - No reference or study materials may be brought to the testing site.

## Word Processing

- No calculators may be brought into the testing site; online calculators will be provided.
- All electronic devices such as cell phones and smart watches must be turned off before competition begins.
- Production Test
  - **Submission Deadline:** An accessible link to all the tasks must be uploaded in the conference registration system by May 14, 2024
  - The production test is administered and proctored by an adult at a designed school-site prior to the NLC. Administration procedures for the production test are determined by the state chair/adviser.
  - The production test is a set of tasks based on the competencies for the competitor to complete.
  - Documents produced for this event must be prepared by the competitor without help from the adviser or any other person.
  - Calculators cannot be used on the production test.
  - The Format Guide, found on the Competitive Events website ([www.fbla.org](http://www.fbla.org)) can be used for the production test.

### *Scoring*

- The rating sheet will be released with the production test.
- Production Test is 85% of the total score.
- Objective Test is 15% of the total score.
- The Production Test score will be used to break a tie.

### *Americans with Disabilities Act (ADA)*

- FBLA meets the criteria specified in the Americans with Disabilities Act for all competitors with accommodations submitted through the conference registration system by the registration deadline.

### *Penalty Points*

- Competitors may be disqualified if they violate the Competitive Event Guidelines or the Honor Code.
- Five points are deducted if competitors do not follow the Dress Code or are late to the testing site.

### *Electronic Devices*

- All electronic devices such as cell phones and smart watches must be turned off before competition begins.
