SCRISOARE DE MOTIVAȚIE

Subsemnatul **Luceș Daniel**, Lector univ. dr în cadrul Departamentului de Sociologie din Facultatea de Sociologie și Psihologie, prin prezenta, îmi exprim intenția de a candida pentru un mandat de membru în Senatul Universității de Vest din Timișoara.

Argumentul candidaturii mele este fundamentat pe experiența acumulată și activitatea pe care am desfășurat-o în cadrul Departamentului de Sociologie în perioada celor peste 20 ani de când sunt titular al departamentului. Pe parcursul întregii perioade de timp am fost implicat în activități didactice, de cercetare științifică și în activități administrative.

Experiența acumulată în calitate de membru în Senatul Universității de Vest din Timișoara, începând cu anul 2016 până în prezent, în care am coordonat *Comisia pentru managementul calității, evaluării academice și acreditării programelor de studii universitare de licență și masterat, precum și pentru programele de studii postuniversitare* în calitate de *președinte* pe perioada mai sus menționată, va sta la baza activităților pe care le voi întreprinde în calitate de exponent direct al Departamentului de Sociologie, respectiv al Facultății de Sociologie și Psihologie.

Candidatura pentru ocuparea unui loc în acest for decizional al universității îmi va permite atât în nume personal, cât mai ales ca reprezentant al Departamentului de Sociologie, să particip la asumarea unor decizii strategice ale universității cu privire la starea de fapt și evoluțiile ulterioare ale instituției, precum și la implicarea în procesul decizional și deliberativ al cadrului de reglementare și funcționare a universității.

De asemenea, activitățile pe care le-am desfășurat începând cu anul 2012 până în prezent, de coordonare a Departamentului pentru Managementul Calității (2012 – 2016), respectiv a Departamentului pentru Cercetare Științifică și Creație Universitară (2016 - prezent) mi-au permis să integrez expertiza științifică și formativă a Departamentului de Sociologie în contexte, acțiuni și proiecte științifice sau instituționale care au contribuit în mod direct la afirmarea și consolidarea imaginii și contribuției Sociologiei la activitățile și procesele decizionale din universitate.

Asigurându-vă de bunele intenții, de valorificarea expertizei profesionale și a experiențelor dobândite, de implicarea personală în acest demers de reprezentare a Departamentului de Sociologie în cel mai înalt for de decizie și deliberare al Universității de Vest din Timișoara, vă înaintez candidatura mea pentru poziția de membru în Senatul UVT.
