SCRISOARE DE MOTIVAȚIE

Subsemnatul, Florin Alin SAVA, având calitatea de profesor universitar în cadrul Departamentului de Psihologie, Facultatea de Sociologie și Psihologie, de la Universitatea de Vest din Timișoara, îmi exprim prin prezenta scrisoare intenția de a candida pe poziția de membru al Consiliului Facultății de Sociologie și Psihologie.

Departamentul de Psihologie a devenit un exemplu de urmat din perspectiva performanțelor obținute atât cu privire la atractivitatea programelor de studii pentru studenți, masteranzi sau doctoranzi, cât și din perspectiva performanței în cercetare, cu rezultate vizibile și de impact la nivel internațional.

Din acest motiv aș dori să îmi aduc aportul la consolidarea acestor rezultate pozitive și la extinderea lor la nivelul întregii facultăți, mai cu seamă, în două direcții: (a) un accent mai ridicat pe aspectele de pregătire profesională ale studenților, îndeosebi ale celor din ciclul masteral, și doctoral; (b) consolidarea mecanismelor menite să accelereze performanța în cercetare la nivelul întregii facultăți prin dezvoltarea de pârgii pentru suportul colegilor din celelalte departamente ale facultății care sunt motivați spre performanță, dar le lipsesc competențele specifice.

Pentru aceste obiective voi pune în joc atât pasiunea și determinarea, cât și competențele administrative acumulate prin mandatele anterioare, atât în calitate de Director de Departament, membru în Consiliul Departamentului, și membru în Consiliul Facultății.

15.11.2019

Cu stimă,

Timișoara

Prof. univ. dr. Florin Alin Sava
